

Creative Kids prides itself in being an inclusive environment and we are in need of some fantastic support staff to support some of our exceptional children we have in our centres. We are looking for qualified staff with experience working with children of varying cognitive, social, emotional and gross motor abilities. We have a position in the White Rock area for 2 school aged children in our before and after school program. It would be a split shift 7-8:30 am and 2:30-6:00 Monday through Friday. If you feel you have the skill set to work with children of school age who have behavioural challenges, please send us your resume.

Successful candidates will have or willing to obtain:

*resume

*criminal record check

*immunization records

*3 letters of reference

*certification within the childcare field and/or equivalent experience

*first aid

We look forward to hearing from you.

Job Type: Part-time
