## Child Development Centre

Jewish Community Centre of Greater Vancouver

Thinking about a change? Are you a life-long learner interested in joining a brand new team of early childhood educators?

Teachers work together as a team co-constructing emergent curriculum with children in a play-based, Reggio inspired childcare for 3-5 year olds. We welcome educators from all backgrounds who are interested in deepening their practice with the British Columbia Early Learning Framework. This position may be just what you're looking for!

Of course you need:

An ECE certificate

A current First Aid certificate

Experience in a licensed early childhood setting

Lots of energy and enthusiasm

Your responsibilities will include:

- Providing for the safety and well-being of children
- Guiding and caring in a positive and compassionate way
- Responsive program planning, implementation and evaluation
- Developing professional relationships with parents

The starting salary is competitive and depending on experience. Full benefits are included (access to fitness centre and pool, vacation, pension, medical, dental, extended health). The full-time is Monday through Friday, 9am – 5pm with a start date of Feb. 1, 2018 or earlier

If you are interested in joining a diverse team of dedicated educators who provide quality care and education for families of all backgrounds, please email your resume and cover letter to:
