

## **Job Posting - Early Childhood Educator, Artemis Young Parent Program**

Artemis Place is an independent alternative school offering a nurturing and integrated program of self-paced academics, counselling, life skills, parenting support along with an on-site child care centre. In the young parent program the staff work together to provide a caring, responsive environment for infants and toddlers; to model caregiving skills and; to support families in their parenting. The program objectives are:

### **To provide high quality care to infants and toddlers by:**

- creating a secure, comfortable and dynamic environment that promotes health, emotional well being and physical safety
- providing an inclusive environment which respects and honours diversity
- building responsive and reciprocal relationships through consistent, dependable care from a primary caregiver
- being aware of all the children and responding to the needs of the individual as well as the group

### **To build partnerships with families by:**

- providing an environment where all families are welcomed, accepted and involved in the care of their children
- valuing the contribution of each parent and using this to build a trusting, respectful relationship
- being sensitive and responsive to diverse cultures and family traditions.

### **To create a respectful, supportive team by:**

- having good communication skills and meeting regularly to share information
- participating in professional development, school meetings and other activities
- being flexible with a good sense of humour and friendly manner.

### **Qualifications:**

- Early Childhood Educator Certificate with preference for Infant/Toddler Certificate
- Experience working with young children and their families
- Emergency Child Care First Aid certificate
