

Are you an Early Childhood Educator or Early Childhood Assistant seeking a fantastic opportunity to share your skills and talents with the young learners at our centre?

Salt Spring Early Learning Centre is looking for an energetic and creative Early Childhood Educator or Early Childhood Assistant who is able to create a fun, nurturing and inclusive environment that ensures the health and wellbeing of all the children in our care.

We are a non-profit society, entering our 40th year of service to young families in our community. Our center is actively involved in our local community and the local natural environment. We do weekly trips to nearby forests, the local library, the islands senior's facilities as well as many more. Our center is located in a private building with a large yard and trees, allowing the children and teachers to have adequate space to play and learn in a comfortable environment while connecting with nature daily.

We are seeking team member(s) with availability Monday through Friday, and will consider those applicants interested in full or part-time employment.

To apply, please email cover letter, resume and 3 references by June 1st, 2018 to Jaylene D'Amboise, Manager at [ssidc@saltspring.com](mailto:ssidc@saltspring.com)
