

French Speaking Teacher

We're looking for a dynamic teacher who is fluent in both French and English to guide our pre-school and kindergarten aged children in a Montessori classroom.

Our school was established in 1985 and under the loving leadership of our principal, we have consistently delivered an outstanding education focused on developing students academics, social and individual skills. We are looking for a keen French speaking individual who can complement our Montessori program.

We are fully equipped with the most state of the art materials that facilitate growth and education. We pride ourselves on creating the best environment possible for learning, and maintain a phenomenal track record of excellence with our graduates.

Requirements

- Clean criminal record
- Current first aid
- ECEA or ECE teacher qualifications
- Excellent references

About the position:

- Full time contract running for 10 months starting September 2018
- 3 weeks paid vacation
- Paid Canadian stat holidays
- Team building retreats
- Educational Conferences
