

And Treehouse Nature Program

We are looking to hire a part-time position for an Early Childhood Educator Assistant to start in September 2018.

The successful applicant will be licensed as an Assistant by the ECE Registry or hold an ECE or Teacher certificate. The role requires a first aid certificate and a criminal record check. The ideal candidate will have experience in a play-based preschool curriculum and previous experience working in outdoor nature programs

The position is currently for Monday, Wednesday and Friday mornings. This position would be ideal for an ECE student or a recent ECE graduate. Class time runs from 9am-12pm Total paid hours, 12 per week.

There is a possibility with the right candidate of also being able to offer an extra 8 hours per week, Tuesdays and Thursdays working in the Outdoor Nature Program.

Hourly pay will be determined based on experience and qualifications

Bayview Community Preschool is a play-based Preschool, located within the Bayview Community School in Kitsilano. The Treehouse Nature Program operates out of Jericho Beach and was established in 2014, it has been growing rapidly and recently won an outstanding achievement award. We are a very welcoming, friendly preschool that is part of the Bayview Community.

If you are interested in the position we would love to hear from you. Please send your recent resume to bayviewtreehousepresident@gmail.com. We look forward to hearing from you.
