Seeking Full-Time Educators

A large junior kindergarten centre is seeking dedicated Full-Time Early Childhood Educators . This is an ideal position for individuals who are enthusiastic and passionate about being a contribution to children, families, teammates, and the community. He/she also stands for cultivating tomorrow's leaders through providing quality early childhood educational service everyday.

Who are we looking for?

We are looking for an experienced Early Childhood Educator with an ECE license who has a passion for working with young children from ages 10 months to 5 years old to:

- Help children develop a passion for learning
- Approach a child's first learning years with enthusiasm and dedication
- Enable children to have fun all day, regardless of whether they are playing or learning
- Prepare children academically and socially for school
- Encourage and support each child
- Bond with each child, and provide them with a nurturing and stable environment
- Promote each child's individuality and self-esteem
- Support the parents as well as the children
- Encourage children, parents and staff to develop lasting and meaningful friendships with one another
- Help all parents participate in their child's education

Requirements

Successful candidates will be a licensed ECE, have good leadership skills and organizational skills, be creative, very loving, resourceful, independent and a team player. Will also have the ability and experience to manage a classroom of 12 to 20 children.

* Daily breakfast, lunch and afternoon snack provided; Full benefits after probation for Full-Time educators, along with tuition discounts for your child(ren)

Interested applicants should email cover letter and resume to info@acornjk.ca
