PT Toddler Educator Position

Little Wings Daycare is a not-for-profit society that provides play based child care to children ranging in age from 6 months to 5 years. Our goal at Little Wings is to offer children exciting and educational experiences, within a safe nurturing environment. Our Toddler Program provides a developmentally appropriate environment for children aged 24 months to 3 years old. The staff provide a variety of activities which includes a balance of quiet and active periods both indoors and outdoors to enable children to explore their environment and to learn through play.
