

Part-Time Responsible Adult or Assistant Early Childhood Educator position available in an outstanding Out of School Care program located in North Vancouver. Our programming is high quality and uniquely developed for Rainforest Learning Centre Inc. We're dedicated to providing our students with a fun and engaging experience with a focus on physical fitness, environmental awareness and character building.

Although themes are provided for your reference by our experienced program coordinator, each educator at Rainforest Learning Centre has a direct hand in planning the monthly calendar, creating materials, and implementing activities. At Rainforest Learning Centre, you get to be the teacher that you want to be!

As important as it is for our staff to build amazing long lasting relationships with our students, so to do we emphasize the importance of building relationships with our Rainforest families and our community.

We are seeking an energetic, hard working, intelligent, and highly motivated team player with excellent communication skills and attention to detail. We need a rockstar who will bring their A-game everyday. Our team is committed to excellence in all aspects of child care. If providing exceptional care and being part of a program that could change the industry appeals to you, we would love to meet you.
