

## Creative Kids Childcare Learning Centre Inc.

### SEEKING Experienced Responsible Adult/Support Worker

#### PHILOSOPHY

We believe that every family should have access to a quality and inclusive child care setting for their children. We provide a comfortable atmosphere in which children feel proud of their heritage and where cultural sharing is encouraged. We believe that a family centered approach enables us to provide families with the highest quality of care. We will encourage children to express both positive and negative feelings in appropriate ways. We strive to meet the unique needs of each family and the whole child, encouraging self-help and in turn helping to develop a positive self-concept. As Early Childhood Educators we provide a consistent and intriguing environment where we can provide for experiences that facilitate a child's feeling of belonging to family, community and the world at large.

#### WHAT WE ARE LOOKING FOR

Creative Kids Childcare Learning Centre Inc. is looking for experienced Responsible Adults to join our team. We currently have two positions open;

1. Support Worker for child with autism: In this position, you will work one-to-one with a child in our 3-5 program. You will also be responsible for assisting with all day to day activities and duties in the classroom. Successful applicants will work a minimum of 27hours/week.
2. Responsible Adult to work in our Out of School Program (K-grade 5) Candidate must be flexible, enthusiastic and willing to work split shifts. We are looking for experienced professionals that are interested in leading a team. Must have passion for developing and executing activities and having fun! Successful candidates will work a minimum of 20 hrs/week

Wage will be determined based on qualifications and experience – will pay above competitive wage for the right fit
