

CEFA is an Early Learning school where a Teacher is free to be creative and have control over his or her work and environment!

About CEFA

CEFA Early Learning, established in 1998, is a full day early learning program designed for infants and children up to five years old. The enriched curriculum features a unique partnership of core subjects, such as reading and math with fine arts including drama and yoga, providing children with the freedom to learn and grow through play.

- Help children develop a passion for learning
- Approach a child's first learning years with enthusiasm and dedication
- Enable children to have fun all day, regardless of whether they are playing or learning
- Prepare children academically and socially for school
- Encourage and support each child
- Bond with each child, and provide them with a nurturing and stable environment
- Promote each child's individuality and self-esteem
- Support the parents as well as the children
- Encourage children, parents and staff to develop lasting and meaningful friendships with one another
- Help all parents participate in their child's education
