

Quality Wilna t'ehl—Early care and learning

Hats for the event! - Enigma Promo

Through donations from the Gitwangak Health and Gitwangak Education Society— Each child that participated received a hat— on the hat the quote—

"Qualilty wilna t'ehl"

The cohort team decided on the embroidery and there would not be enough room to put all of the name of the conference of the hat.....

Everyone was pleased with the hat.
