

TOP 4 early child care educator questions

“Our concerns are not complaints, we want clear direction + support [from Government].” Branch leader

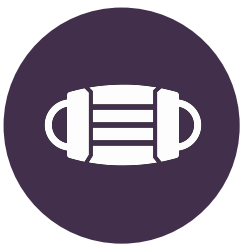

1. practice

- What does physical distancing look like in child care programs?
- How do we support families that we know already need extra support?
- How are children being impacted by this pandemic? (Trauma)
- What are the risks for the children and families I serve?
- What are the risks for myself, my own family?
- How can I be part of flattening the curve during this crisis?

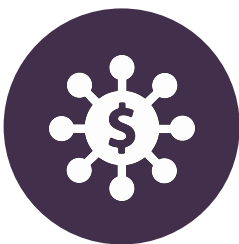

2. policy

- Clear policy and procedures for operations and safety protocols
- Need a definition of what essential services is
- What will be the operator's obligations for existing grants and contracts?
- Deeper clarity on all government initiatives: small business support, EI, other incentives

3. resources

- Insurance – are we covered?
- Will programs have access to cleaning supplies, food and other supplies as needed?
- Will educators receive priority testing for COVID-19 if they display symptoms?

4. funding

How does the funding proposed by the provincial government work for:

- Operators?
- Educators?
- Families?
